PURPOSE

It is the goal of every Adventurer/Pathfinder Club to have the best qualified personnel available for his/her church. This record becomes the property of your local church conference Youth ministries department and will be used to evaluate all present and prospective youth workers and volunteers. Volunteer Data Sheets will be forwarded to another conference's youth department should the volunteer move to another conference.

PROTECTION

Understanding the epidemic proportion of child abuse and unlawful conduct, Section VI has been included to protect children in church sponsored programs from any abuse by any staff with a history of misconduct. The confidentiality of volunteers will be respected while also protecting parents, youth ministries workers, and the church organization.

PROCEDURE

If the Youth Ministries Director recommends the applicant, Sections I through V will be copied and sent to the local church for their record and will be used to determine staff qualification. When a local church requests a recommendation from a local conference's Youth Ministries Director, the director may not release any specifics and may only respond with "recommended", "not recommended" or "recommended with conditions noted."

POLICY

All information on this Youth Ministries Volunteer Data Sheet is required by North American Division and Insurance policy. It will become a permanent record and should include updates every year. In the event of accusations against applicant, opportunity should be given for response by the accused. This response also becomes a part of the record.
